

# Project overview

AdUP – Upskilling Adult Educators

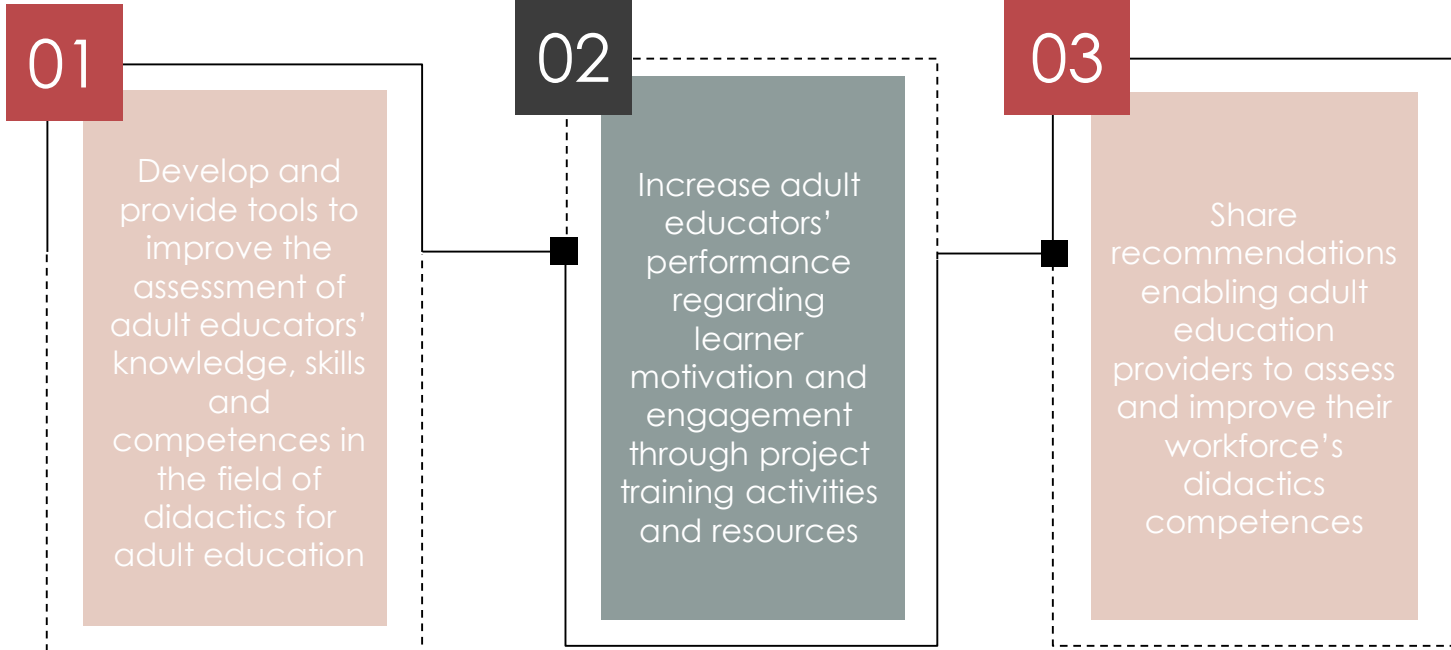

*Erasmus+ 2020-1-IT02-KA204-079557*

# Context of the AdUP project

# Objectives

# Target Groups

- Adult education providers and trainers
- Local authorities/ community providers, designated institutions and NGOs (involved in lifelong learning)
- Bodies providing career guidance, professional and educational counselling to disadvantaged groups
- National and European institutions of educational and social policy research
- Associations of adult education and lifelong learning providers of EU & national level
- Associations of disadvantaged groups
- Quality assurance institutions

# Intellectual Outputs

O1

AdUP diagnostic tool

O2

AdUP modular course

O3

AdUP Massive Open Online Course

O4

Network of AdUP adopters

E1-E4

AdUP national information days

# Intellectual Outputs & Tasks Leaders

- O1 Diagnostic tool
- O2 Modular course
- O3 MOOC
- O4 AduP Network

VHS CHAM  
UNIMC  
PROMEQA  
VAEV

Project coordinator  
Dissemination & Exploitation  
Quality Assurance

**UNIMC** (ad hoc supported by PROMEA)  
**APRC**  
**PROMEQA** (supported by UNIMC)

# Project Management & Implementation (PMI) Activities

A1	Technical Coordination
A2	Financial Administration and progress monitoring
A3	Multiplier Events planning & organization
A4	Dissemination & exploitation planning
A5	Dissemination infrastructures & materials
A6	Dissemination & exploitation activities
M1-M5	Transnational Project meetings

# Partners' roles (1/3)

## UNIMC

- Strategic coordination
- Development of the modular course and the training and assessment materials
- Report on the learning units
- Support VHS CHAM in the development of the diagnostic tool
- Circulate to own network the AduP recommendations paper
- Organise a national information day in Italy
- Participate with 5 staff members in Learning Teaching and Training event, in Germany.

## VHS CHAM

- Develop the diagnostic tool
- Collect and analyse partners' research data
- Develop the self-assessment tool
- Organise a national info-day in Germany
- Circulate to own network the AduP recommendations paper
- Organise and participate with 10 staff members in the Learning Teaching and Training event.

# Partners' roles (2/3)

## PROMEQA

- Technical administration of the MOOC's structure and functionalities and pilot run
- Develop the methodological framework for the diagnostic tool
- Draft a recommendations paper to support the use of AdUp resources by AE providers
- Support UNIMC in day-to-day coordination of the project
- Circulate to own network the AdUp recommendations paper
- Organize a national information day in Greece
- Participate with 4 staff members in Learning Teaching and Training event, in Germany.

## VAEV

- Utilise and valorise the AdUp resources
- Create the AdUp network
- Draft the AdUp Certificate Supplement
- Draft the AdUp Statement of Support
- Establish the network of AdUp adopters
- Contribute the development of the AdUp MOOC (learning materials)
- Organize a national information day in Austria
- Circulate to own network the AdUp recommendations paper
- Participate with 10 staff members in Learning Teaching and Training event in Germany

# Partners' roles (3/3)

## APRC

- Develop the AdUp curriculum, methods, and learning experiences
- Lead and develop the project's dissemination and sustainability plan and efforts/activities
- Pedagogical administration of the AdUP MOOC pilot run
- Organise a national information day in Lithuania
- Circulate to own network the AdUP recommendations paper
- Participate with 6 staff members in the Learning Teaching and Training event, in Germany

# Associated partners

- Innovation Learning Work National (IAL - IAL Innovazione Apprendimento Lavoro Nazionale Srl)
- The District of Cham (District of Cham)
- The Italian University Network for Permanent Learning (RUIAP – Rete Universitaria Italiana per l'Apprendimento Permanente)
- Innovation Learning Work Marche (IAL Marche - IAL Innovazione Apprendimento Lavoro Marche Srl)

# Associated partners' role

## What?

- Follow closely and contribute, if possible, to the project's outputs, results and pilot actions
- Strengthen the dissemination efforts of the project's results and
- Enhance the sustainability of the project's results.

## How?

- Attend project events
- Contribute to the dissemination and outreach
- Test pilot the MOOC
- Integrate AdUp resources into their practices.
- Provide project partners the opportunity to present the project results in their events.

# Thank You
